The mission of the Chicago Gynecological Society is to support our specialty through education on the latest advances in clinical practice, cutting edge technical innovations and the current topics in scientific research. In addition to supporting our specialty through education, CGS works to foster collegiality and networking within our profession. We promote local specialists and recruit nationally known experts for our events.

CGS recognizes the importance of having strong relationships with valued industry partners and we invite you and your company to join us this year as a Corporate Sponsor. Please take a moment to review the Corporate Sponsor levels and benefits enclosed.

We look forward to working with you and your company. If you have any questions, please do not hesitate to contact CGS via Megan Whalen at (773) 469-9695 or MWhalen@cmsdocs.org.
